

KIFFE GOLF

Perfection that takes you further.

MAKES EVERYTHING PERFECT.
ESPECIALLY YOUR GAME.

OUR AMBITION

Perfection that takes you further.

We simply do everything we can to ensure that everything is perfect for you.

We strive for perfection in all areas - with the best materials, the latest technologies, constructive sophistication, extreme durability and the highest quality standards.

We make every KIFFE eTrolley perfect so that you can devote yourself fully to your game. This is ensured, among other things, by a particularly powerful battery, whisper-quiet motors, ease of use and convenient assembly and disassembly.

of the battery

Foldable
in one movement

Small pack size
16 cm height

K-steel

Combines stability and lightness

With K-steel, we have developed a material that perfectly combines low weight and high torsional rigidity. Our models are therefore extremely stable and easy to transport.

K-comfort

Ensures optimum control

Simple and intuitive: the clearly laid out control panel of the KIFFE eTrolleys enables comfortable and precise travel around the site.

K-tron

Always keeps perfectly on track

Our industry-leading driving assistance system compensates for slopes, for example, and allows your KIFFE eTrolley to drive straight ahead effortlessly on any terrain.

FIND YOUR PERFECT MODEL.

The K series high-tech trolleys at a glance.

		K1	K3	K5	K7
		2.299 €	2.799 €	3.399 €	3.999 €
	Slope compensation The position sensor detects lean angles and uses the drive to regulate the intelligent control system for straight-line stability. You save power for the next shot.	-	-	●	●
	Automatic speed adaptation Automatic adjustment of the trolley speed uphill and downhill so that your trolley adapts to your running speed.	-	-	●	●
	Electronic brake Uphill or downhill, no rolling away on slopes. The electronic brake is activated automatically. This gives you safety.	-	●	●	●
	SafeStop Used to prevent tipping in autonomous driving mode (such as 10 m, 20 m and remote control). Gives you safety as soon as your trolley is driving on its own.	-	-	●	●
Downhill brake Reliable speed control downhill, the trolley faithfully maintains the set speed. Allows you to run downhill comfortably without having to hold the trolley.		-	●	●	●
Idle function Allows you to maneuver manually or simply reverse.		●	●	●	●
Manual use without motor You forgot your battery at home, no problem. In manual freewheel mode, the trolley also runs without a battery.		●	●	●	●
Speed memory Conveniently activate your last running speed using the start button. This saves you having to constantly regulate your speed.		●	●	●	●

THE PERFECT COMPANION

Your  VESSEL golf bag

The perfect match for the perfect round.

KIFFE and VESSEL are made for each other. The luxurious golf bags from VESSEL are handmade from the highest quality materials, with sophisticated details and superior functionality. The perfect addition to your KIFFE eTrolley - and a real eye-catcher on any course.

LUX CART 2.0 XV

RRP 649 €

RRP 59 €

Club Organizer insert

PERFECT FOR 9 IRON

The insert has 9 individual compartments. Either an iron or a hybrid fits into the slot at the top left, so you can adapt your setup to your needs.

MAGNET FASTENER

A magnet in each slot simply locks each racket in place. This prevents loud rattling and protects the rackets.

MATCHING DESIGN

The insert was developed exclusively for the LUX Cart 2.0 XV and can be easily and securely attached to the top handles of the bag. Can be easily removed when not in use.

MANUFAKTUR. HANDCRAFTED TECHNOLOGY.

What our development experts design with the greatest know-how is implemented with the utmost care and precision in our manufactory. Because when it comes to perfection, every move counts.

KIFFE GOLF
Perfection that takes you further.
